Mass Deportation
Mentally ill homeless people keep going to jail. But a study says L.A. County can fix that
L.A. County Jail Population (2010-2016)

- 79% of jail population is Black/Latinx (vs. 58% of total County pop.)
- Houseless, South Central, Compton, Long Beach, Antelope Valley are most impacted neighborhoods
- At least 38% of bookings report being unemployed on day of arrest
- 25% of people in jail report being houseless on day of arrest
