Gallery Walk

Fostering Understanding

Gallery Walk

- Everyone can participate.
- Two rounds (15 min): Go to the intercept that most interests you.
- Intercept representative will answer any questions.
- It's about clarifying questions.

Process

- Only ATI Work Group members can pick items for ‘more discussion.’ (Mark the # on the flip chart.)
 - Threshold: Serious concern; not minor changes or implementation (i.e., ‘how’). Only **32, 35, and 40** rose to that level in the ad hoc committees.
- ‘More discussion’ items will be brought to the full ATI Work Group for deliberation.

Principles

1. Whenever it starts is the right time.
2. Whoever show up are the right folks.
3. Whatever happens is the only thing that could've.
4. When it's over, it's over.
